## MCOJSC500LEK

# Matco Express Lane Cart and Complete Tool Kit with Express Lane logo plate\*

### Features:

- JSC500-LA-MELKIT Matco Express Lane Cart stores over 60 tools (tools included, see next page for complete list).
- Heavy-Duty Service Cart built to withstand the harshest work environments so your investment will serve you well for many years to come.
- Durable bumper system protects vehicles and other objects around the shop.
- Lid accessory has a new built-in pry bar/screwdriver rack for added convenience.
- Unibody Case Construction — the fully-welded Center Shelf and Interior Vertical Wall tie the structure of the box together and ensure the Matco toolbox is square, sturdy and stable.
- Structural Corner Posts — the 16-gauge steel posts have multiple 90° angles to increase the load-bearing capacity of the Matco toolbox.
- Double-Wall Construction — each double-wall of the Matco toolbox is internally reinforced with vertical L-channels to increase the load capacity and rigidity of the box to ensure it never cracks or distorts over time.
- Drawer Construction — the drawers and slides are fully-integrated into the toolbox case design. An added channel support and over 20 bends in the steel of each drawer make each strong, durable and rigid.
- Upgraded side handle for easy maneuvering.
- For added protection, Service Cart, Lid Accessory and Drawer Accessories come with a nice top mat.
- Four (4) swivel casters and Matco's high security locking system.
